

NEW HEIGHTS

BAPTIST CHURCH

APRIL 2022

Dear Praying Friends,

April was a monumental and life-changing month for New Heights Baptist Church! In our last prayer letter, we updated you all on our launch service that took place on April 3. Since then, to the glory of God, we have had first-time visitors and souls saved every single Sunday.

We spent the month of April in a rented storefront, which we knew would be temporary. God miraculously opened the door for us to be able to rent the Newtown Meeting House, which is a historical church building in the geographical center of town. The monthly rent is half of what we would have been paying at the storefront, and we have access to the entire building, which includes the 200-seat auditorium, storage, classroom and nursery space, and a kitchen.

This last Sunday was our first service in our new facility. The Lord blessed in our morning service with 85 in attendance, 16 first-time visitors, and 3 people saved. In our 1:00 afternoon service, we had over 40 people start Level 1 of the Foundations of my Faith discipleship program. We are so encouraged to see people excited about church and hungry to grow in the Lord.

We know there will be many valleys and that church planting is a journey, but it's amazing to see what the Lord does when you follow His will and take a step out in faith. Thank you for your continued prayers and support!

In Christ,

ZACH AND CATHARINE KINSMAN
