A Busy End to the Year

As we continue to settle down in our new home and become acquainted with the city of Philadelphia and our neighborhood, our schedule kept on filling up as people contacted us to come to their churches to share about our work. Because of the demand, we even had meetings right after Christmas and New Year's eve! We traveled to meetings in New Jersey, Maryland, Pennsylvania,

and West Virginia. Many of those were also reporting to supporting churches and giving updates of our progress in person.

Settling in

After a crazy schedule in Oct, we finally begun to settle down in our house. We did some minor renovations and began on a few needed repairs. Other than that, it was quiet during those two months. We certainly enjoyed having guests over, especially from nearby supporting churches.

Giving updates

Following the apostle Paul's example in the book of Acts, we've been visiting our supporting churches and giving updates on our progress. As three years of deputation reaches its close and our support approaches triple digits, we felt it was important to give reports in person to show progress in the mission work. Now that we are actually in the field with the ministry not starting yet, this was a good time to do so. Once our ministry starts in May, there won't be much opportunity to share reports in person. Many of our supporters expressed excitement that we're in the mission field and they, as well as us, are looking forward to seeing what God will do.

Support Update

We're thrilled to tell you that we finished off the year of 2021 at 95%, up from 89% since the last prayer letter!

Prayer Request

- Please pray for us as we make preparations to start our ministry on May 1st.
