

4th Qtr. Prayer Letter 2020

Our dear friends and beloved in the Lord,

What a blessing it is to see the Lord work! The last few months have been pretty much filled with joys and sorrows. First, Larisa had come down the the Covid and yet has recovered fully. We do have a number of concerns as we have had a few of our church people come down with it as well. Over all the people have grown weary of it all and just want to get on with their lives.

I trust all of you had a blessed Christmas. We have enjoyed our time in it and for the last 3 weeks before Christmas we have had special themed services. All of them leading up to the birth. Pastor Pavel preached the weeks before and I preached the Christmas service. In the past we would give out public invitations to church services, but that has since become illegal to do. Nevertheless, the Lord is still bringing new people to our Bible studies and I have been witnessing to a few people that we had invited to our home.

I would like to ask you to please pray for the young lady pictured to the right with Larisa. Olga is not saved and does speak very good English. She asked to meet with us and study the Bible. We have spent a few weeks with her and the Lord is working in her heart. Please pray for her.

I would also ask you to please pray for another English speaking woman name Katya. She too in not saved and grew up Orthodox. She however, along with Olga have been coming to church almost every Sunday. So please remember them as we minister.

It has been a good thing to see the room we rent for services be filled almost every Sunday. At some times, we barley have enough chairs for everyone to sit. But we seem to do alright. I am really thankful and glad to see the Lord use us and the small team we have. Its a blessing to help plant Glory Baptist Church and the opportunity to also teach them. The Lord is touching hearts and I can see how important it is to raise them up to live for Christ.

With that said, I would like you to also pray for us as we are always seeking where to Lord will have us serve. Please pray for our health of the family and for wisdom in our decision making. Some very important decisions are before us and we could use your prayers concerning these matters.

Thank you again dear friends for your support as we serve our Lord Jesus Christ in the mission fields of Russia.

May the good Lord bless you

In Christ alone,

Jon Zwingel
