

November – December 2020 Newsletter

Dear Pastors and Friends,

Nigeria is still boiling with crisis of banditry, killings and kidnappings around the country. It is frightening to travel on Nigeria highways because of the insecurity. Just last week Dec 12th, over 334 male students were abducted from a government secondary school in Katsina- a state in the north eastern state. We thank God the boys were rescued successfully on December 17th.

Within the same time period, over 100 farmers working on harvesting their products were slaughtered on their farms. The Boko Haram Islamic Terrorists activities are also very prominent in that north eastern region. More so, like many other countries in the world, Nigeria is also battling with the coronavirus pandemic. Let us pray to God for eradication of this global plague on the face of the earth.

Despite the fact that the year 2020 was ravaged by this global pandemic, the church continues marching on and the gates of hell cannot prevail against it. Amen. After about 2 months of total lock down for the Covid-19, and with all the restrictions of social distance, face mask, we, as the body of Christ came out stronger and more committed to the service of our Lord Jesus Christ. We had 10 new souls saved and baptized in 2020. We just had our Christmas Carol on December 20, 2020 and we have attached some pictures of the Carol for you to see.

As we are looking forward to the year 2021, we hope, in the Lord, for more souls to be won for the kingdom of God. We also thank you all for your resilient support of God's work in Africa and other parts of the world as well. We appreciate your faithful support and prayers for us. Our God of ages past be our hope in the year to come. Amen. We thank the Lord for your partnership with us in the work of the Lord. We also wish you all a Merry Christmas and a prosperous New Year in 2021. Thank you so much.

Thankfully Received.
